A most responsive chord.

COAL HEAVY KILLED BY TRAIN AT MANCHESTER

C. W. Kramer, aged about 30 years, of Manchester, was killed by a freight train last night about 9 o'clock near Manchester. It is said that he had been heaving coal from a freight car and in getting off the car he fell against the car and crushed the back of his head. He was brought to this city to be placed in the hospital but died before reaching here. His remains were taken to the undertaking establishment of Higgins, Slattery & Dwyer and prepared for burial. They will be taken to his home this afternoon on C. & O. accommodation train No. 16.

BIG DRAFT LOTTERY

BEGUN YESTERDAY IN WASHINGTON—ENDED THIS MORNING ABOUT 3 O'CLOCK—PLANS CHANGED AT LAST MINUTE.

One Hundred and Twenty to Go From Mason County—255 First Number Drawn—Those Drafted To Be Notified Officially Soon.

Change in the Great National Army Lottery Was Made at Last Moment.

Washington, July 20.—The plan for drawing the names in the great lottery involving the army service of over ten million Americans was changed at the last moment by Provost Marshal Crowder. It was necessary to draw 10,500 numbers ranging from 1 to 10,500. The order in which they were drawn determines the order in which the men having corresponding serial numbers on their cards in the local districts will be liable for service.

The total of 10,500 was selected because it exceeds the total of registrants in the largest district in the country.

Expect Draft to Be Ended by 3 A. M. Saturday.

Washington, July 20.—Four hours after the drawing of numbers for the new national army started about 2,400 numbers had been drawn and the tellers were slowing down in their work. It was estimated that the last number might not be out before 3 o'clock tomorrow morning.

The drawing was speeded up to a maximum of about 850 numbers per hour, but later the tellers slowed down. It became a question of human machine and there was limit to physical exertion.

With the first thrills of the drawing over, the men entrusted with the momentous task faced strenuous labor. They realized that waiting millions were watching the results of their work and care was exercised.

Room 226, Senate Office Building, Washington, July 20.—America selected her youth today for war against Kaiserdom. Starting at 9:30 (8:30 Maysville time) in this garish chamber, blindfolded men drew the fated capsules bearing selective service numbers. Out through the country each number notified a youth of the order in which Uncle Sam wants him to respond to the call to arms.

Ten thousand five hundred numbers will be drawn.

The first 1500 numbers drawn ought to indicate a good proportion of the order in which the men will be called for examination.

This method was necessitated by a change in plans yesterday after several state boards were found to have blundered in preparing their lists. Congressmen, only a handful, Secretary Newton D. Baker, General Enock Crowder, chief of the draft, and his aides, Major Johnson and Major Allen Gullion, movie men clicking off the picture and news men fishing out the numbers were the only witnesses.

Silence Is Enforced. General Crowder enforced silence. The drone of announcers, telling of the drawings, was the only sound. Hour after hour the blinded men worked.

The black paper numbers were drawn from capsules and the numbers inscribed on a blackboard and tally sheets, while clicking wires outside flashed the tallies over the nation.

A number drawn from the glass globes establishes the selection service order of every man holding that number in every district.

In case numbers higher than a district contains are drawn, they are disregarded in making up the list.

For instance, if 567 were the first capsule pulled out, the man holding 567 in every district having numbers as high as that must report.

Then if 45 is next, the men holding 45 in each district would be the second men on the list.

If a high number, such as 9876, should come third, it would be disregarded by the districts with a lower maximum number.

On a Huge Blackboard. At 9 o'clock the globes were carried to the Senate office building. A huge blackboard with 1000 squares was erected.

As each tiny capsule was pulled out by the blindfolded men it was banded to an officer. He announced the number in a loud voice.

Three checkers entered it on tally sheets. Another checked it on the blackboard. As soon as 1000 numbers were called the blackboard was photographed. Thousands of these pictures are being made.

As it is thought that fifty per cent. of the men called will be exempt, the Mason County Exemption Board will first call twice the number of men required as Mason county's allotment.

The quota for Mason county is 120, therefore 240 men will be notified to appear before the Exemption Board to be examined. Should it happen that the necessary number of men are not available out of the first ones called more will be notified to appear before the board until the full number required is gotten.

It is impossible at this time to publish the entire list of those eligible for service but below we give over 500 names, which should amply cover Mason county's allotment:

WE WANT NO MORE OF THIS!

It is a great pity that Secretary Daniels' announced policy of taking the public into his confidence about the naval operations in the war starts off like a confidence game.

George Creel in his efforts to increase the national enjoyment of the Fourth of July just past committed an unpardonable error. Secretary Daniels, in issuing the statement as an official record of the navy department, shares in responsibility for an absolute misstatement of facts, and the destruction of that confidence with which all official documents of our nation should inspire.

All of us remember the thrill which swept over the nation on the Fourth, when the secretary informed the American people that our transports were "twice attacked by German submarines on the way across"; the first attack "was made in force"; our "high seas convoy circling with their searchlights answered with heavy gunfire, and its accuracy stands proved by the fact that the torpedo discharge became increasingly scattered and inaccurate." There was a second attack later. One u-boat "was certainly sunk, and there is reason to believe that the accurate fire of our gunners sent others to the bottom."

Intimations soon arose that the account of the battle had been grossly exaggerated by Mr. George Creel, of the Committee on Public Information, in order to make an "appropriate announcement on the eve of the Fourth of July."

Perplexing are the messages of the correspondent of the Associated Press who accompanied the expedition. Upon his arrival in the European port of debarkation he sent a cable dispatch reporting "a smooth sea and an uneventful voyage." Apparently ignorant of the battle which inspired Mr. Creel this same correspondent sent the Associated Press a second dispatch on July 5, two days after the secretary's celebration and congratulations, in which he brazenly maintained that "there was no submarine attack whatever, no torpedoes were seen and there was no gunfiring at submarines from our destroyers."

Was there a fight? The American people have no way of knowing, yet they wish the truth. An investigation should be made at once to inquire into the exercise of imagination in the account of the battle which was handed out to the patriotic citizens for a freedom day celebration.

We think the retirement of Mr. Creel should be voluntary; we think that in the description of such incidents the use of the official language of the officer reporting, whenever not injurious to the public welfare, will be better calculated to give the correct idea than a rehash of it compiled hastily in Washington. The incident shows how dangerous a press censorship is—with a strict censorship of news the American public would be still thinking their sailors had defeated the German flotillas of submarines, and Great Britain, France and Germany, with their allies, would be wondering why our government was fooling the citizens!

It does look just a little strange when we stop to think that bread prices are lower in France and England than in this country and we furnish the wheat for those countries. Good chance for a food dictator.

You may have noticed that easy money is sufficient to retain.

ENDORSED AT HOME

Such Proof as This Should Convince Any Maysville Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Maysville adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

Frank Taylor, Prop. barber shop, 401 E. Second St., Maysville, says: "A few months ago, I had a slight attack of kidney trouble and my kidneys were irregular in action. The kidney secretions were too frequent in passage and then again, were scanty and highly colored. I had a dull, steady ache through the small of my back and my back was weak. Four boxes of Doan's Kidney Pills, which I got at Chanslor's Drug Store, cured me of the complaint."

Mr. Taylor is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that cured Mr. Taylor—the remedy backed by home testimony. 60c all stores. THE UNIVERSAL CAR

Price Advance

Competitors have circulated a report that the Ford has advanced \$100.00. This is emphatically untrue and is done merely to help them sell an inferior car for more money. However, I am expecting every day to receive notice to advance the price. All orders are being taken with the privilege of cancellation if price advances. The company has notified me to mail all orders the same day they are placed. It is my opinion that all orders will be filled at present prices if orders are placed at once, but you should not delay the matter a single day. Place your order today and play "safety first."

INSTRUCTIONS

To Men Within Draft Age Issued By Provost-Marshal Crowder — Full Official Information of Interest To Every Man Who Registered.

Provost Marshal General E. H. Crowder, at Washington, D. C. has issued an official circular, giving full instructions to persons registered under the selective draft act, both as to how to file petitions for exemption or discharge, and what the procedure will be with regard to selection for service.

The copy contains full official information of interest to every man registered.

Here is a copy of the Folder:

LOCAL BOARDS

In every county in the United States and for every city over 30,000 there are one or more local exemption boards. Each of such boards is in charge of the registration cards of persons registered in the area over which the board has jurisdiction, and has jurisdiction of all claims for exemption except those based on industrial grounds.

Find out what board has your card and where the office of that board is.

DISTRICT BOARDS

In every Federal judicial district there are one or more district boards having appellate jurisdiction over a number of local boards and having original jurisdiction of claims for exemption on industrial grounds. If you intend to make a claim on industrial grounds, including agriculture, learn what district board to apply to.

RED INK SERIAL NUMBERS

Every board has numbered the cards in its jurisdiction with red ink in a series running from 1 to the number representing the total number of cards in its jurisdiction. Lists showing the names of persons in the jurisdiction of each board and the red ink number of each card are open to inspection at the office of each board. Inspect the list and inform yourself of your red ink serial number.

ORDER OF LIABILITY

These red ink numbers are to be drawn by lot to determine the order in which registered persons are to be called by the various local boards. As soon as the drawing is complete lists showing the order in which these red ink numbers are drawn will be published in the press, and will be posted at the office of each local board.

Go to your board and find out the order in which you stand for call.

CALL FOR EXAMINATION

As soon as quotas are assigned to each state and each board will call upon persons whose cards are in its jurisdiction instructing them to present themselves for examination. This call will be posted at the office of the local board and the papers will be requested to print it. A notice will also be mailed to you, but the posting of the list at the office of the board will be deemed sufficient notice to charge you with the duty of presenting yourself. The law therefore makes it your duty to inform yourself when you are called. The mailing is for your convenience, but if the letter never reaches you, you can not make that excuse.

Watch the lists at the office of your board and see when you are called for examination.

VI.

You must report for physical examination on the day named in your call.

(a) If you are found physically disqualified the board will give you

a certificate which will explain to you what your further duties are.

(b) If you are found physically qualified and file a claim for exemption within seven days after your call you will be given ten days after filing your claim of exemption to file proof in support of your claim of exemption. See (VII) below.

(c) If you are found physically qualified and file no claim for exemption, or if you do not appear for physical examination, your name will be posted to the district board as one who was called for military service and was not exempted or discharged. On the eighth day after call, or within two days thereafter, copies of the list of persons so posted to the district boards will be given to the press with a request for publication, will be posted in a place at the office of the local board accessible to the public view, and notice will be mailed to you at the address on your registration card.

Therefore watch the notices posted in the office of the board about ten days after the day you were called and make arrangements for the prompt receipt of mail.

VII.

SEVEN DAYS TO FILE CLAIMS OF EXEMPTION OR DISCHARGE

Except for industrial or agricultural reasons.

(a) No claim of discharge on account of the industry in which you are engaged can be decided by a local board. (See Par. XV. below.)

(b) Whether you file claim of exemption or not, you must present yourself for physical examination on the day in the notice.

From the day notice that you are called is mailed and posted you have seven days in which you may file a claim of exemption or discharge. The form filling this claim is simple. If you wish to file such a claim—

(a) Go to the board and get Form 110 for exemption or Form 121 for discharge. If the board has not the printed forms ask to consult the form pamphlet and copy the form shown there.

(b) Fill out the paper form and file it with the board.

(c) Do this within seven days of the posting and mailing of notice to you to present yourself.

The following are the only grounds for exemption:

1. That you are an officer, legislative, executive or judicial of the United States, a State or territory or the District of Columbia.

2. That you are a regular or duly ordained minister of religion.

3. That you were in May 18, 1917, a student preparing for the ministry in any recognized theological or divinity school.

4. That you are in the military or naval service of the United States.

5. That you are a subject of Germany, whether you have taken out papers or not.

6. That you are a resident alien who has not taken out first papers.

In addition to claims for exemption, claims for discharge may be made on any of the following grounds which are the only grounds for discharge by a local board:

1. That you are a county or municipal officer.

2. That you are a custom house clerk.

3. That you are employed by the United States in the transmission of mails.

4. That you are an artificer or workman employed in an armory, arsenal, or navy yard of the United States.

5. That you are employed in the service of the United States (under certain conditions.) See paragraph (a) of section 10, Regulations.

6. That you are a licensed pilot regularly employed in the pursuit of your vocation.

7. That you are a mariner actually employed in the sea service of any citizen or merchant within the United States.

8. That you are a married man with a wife or child dependent on you for support.

9. That you have widowed mother dependent on your labor for support.

10. That you have aged or infirm parents dependent upon your labor for support.

11. That you are the father of a motherless child under 16 dependent upon your labor for support.

12. That you are a brother of an orphan child or children under 16 dependent on your labor for support.

13. That you are a member of any well recognized religious sect or organization organized and existent May 18, 1917, and whose then existing creed or principles forbade its members to participate in war in any form and whose religious convictions are against war or participation therein in accordance with the creed or principles of said religious organization.

These are the only grounds for exemption or discharge by a local board. Another person can file a claim in your behalf, but must use different forms in filing the claim.

VIII.

TEN DAYS AFTER FILING CLAIM TO FILE PROOF

Your claim of exemption or discharge must be filed within seven days of the day on which notice to you that you are called was posted and mailed. But after you have filed your claim for exemption or discharge you have ten days within which to file proof.

The method of proving claims is very simple, but it is rather exact. If you follow the rules given below you will have done what is required of you.

First. Go to the local board and consult the regulations to find out the form number of the affidavits that you must submit for your particular claim.

Second. Ask the board for the blank affidavits that are necessary in presenting your proof. If the board has not the forms, ask to consult the pamphlet forms.

Third. Have the affidavits properly accomplished and return them to the board within the time limit assigned to you—ten days from the filing of your claim.

Remember: (a) You must submit your proof in the prescribed form and the board has no authority to exempt or discharge you unless you submit all the affidavits required by regulation.

(b) There will be no argument before the board and no proof other than the prescribed affidavits unless the board calls for other proof which it will do in only a limited number of cases.

IX.

WHEN CLAIMS ARE DECIDED

Every claim for discharge or exemption will be decided by the local board within three days after your affidavits have been filed.

X.

CERTIFICATES OF EXEMPTION OR DISCHARGE

If your claim is allowed a certificate of exemption or discharge will be issued to you.

Remember: (a) This certificate may be recalled at any time.

(b) If it is temporary or conditional, it becomes of no effect when the time or the condition named are fulfilled.

(c) If you have been drawn for military service and when the condition that has postponed your posting to the colors ceases you may be recalled at any time.

(d) Remember that your case may

still be appealed to the district board by the government and on this appeal your certificate may be withdrawn at once. When so withdrawn you stand precisely as though you had been selected for military service by the local board.

XI.

ADVERSE DECISIONS ON CLAIM

If your claim is disallowed by the local board your name will be certified and sent by the local board to the district board as one who has been called for military service and not exempted or discharged. Within two days thereafter, if practicable, a list of those so certified to the district board will be given to the press with a request for publication, will be posted in the offices of the local board accessible to the public view and notice will be mailed to the address on your registration card.

Therefore, if you have filed a claim for exemption and proof in support thereof, watch the notice in the office of the local board beginning about five days after you have filed your proof to see what disposition was made of your case and make arrangements for the prompt receipt of mail.

XII.

HOW TO CLAIM APPEALS TO DISTRICT BOARDS

Claiming of appeal may be made by a person within ten days after the day when notice has been posted and mailed that such person's name has been certified to the district board as one who has been called for service and not exempted or discharged.

Therefore, if you desire to appeal—

1. Go to the local board and get or copy Form 153 or 154 for filing your claim of appeal.

2. Get or copy also Form 151 or 152 for notifying the district board of appeal.

3. File your claim of appeal (153 or 154) with the local board.

4. Do this within ten days from the day when notice that your name was certified to the district board was posted and mailed.

Remember:

1. You can only appeal the final order of the board exempting or discharging or refusing to exempt or discharge you. You cannot appeal other orders or action of the local board.

XIII.

PROVING YOUR APPEAL

You have five days after the district board receives your notice that you have filed a claim of appeal in which to file evidence additional to that filed by you in the local board, but all such evidence must consist of affidavits.

XIV.

DECISIONS ON APPEAL

The decision on your appeal must be made within five days of the closing of proof and you will be notified by mail of the action of the board on your appeal.

XV.

CLAIMS FOR DISCHARGE ON INDUSTRIAL GROUNDS

Only the district board can receive claims for discharge on the ground that you are engaged in industry, including agriculture, found to be necessary to the maintenance of the military establishment, the effective operation of the military forces, or

the maintenance of national interest during the emergency.

Such claims must be filed with the district board on or before the fifth day after the mailing and posting of notice that you have been certified by the local board as one who has been called for service and not exempted or discharged.

If you desire to file such a claim:

1. Get or copy at the local district board Form 161 or 161a.

2. Fill the form out properly.

3. File it with the district board within five days after the mailing and posting of notice that your name has been certified from the local board to the district board.

See section 44, Regulations.

XVI.

PROOF IN SUPPORT OF INDUSTRIAL CLAIM

Only affidavits can be used in filing proof before the district board of a claim for exemption on industrial grounds. All such affidavits must be filed within five days after the filing of the claim.

XVII.

DECISIONS OF DISTRICT BOARD ON INDUSTRIAL CLAIMS

Within five days after the closing of proof in any industrial claim the district board must decide the claim. If the decision of the district board is in favor of the claim the board will issue a certificate of discharge. If the decision is against the claim the district board will so notify you.

Remember that you have been called for military service and that the certificate of the district board is only conditional on your remaining in the kind of industrial service on account of which you were discharged. No such exemption shall continue when a cause therefor no longer exists and your certificates of discharge may be withdrawn or modified by the district board at any time that the circumstances require it.

XVIII.

APPEALS OF INDUSTRIAL CLAIM TO THE PRESIDENT

Only decisions of district boards on industrial claims for discharge can be appealed.

If you desire to appeal the decision of the district boards to the president, you may do so within seven days of the date of mailing to you of the decision of the district board. To perfect your appeal—

1. Get or copy from the district board or local board Form 163.

2. Fill out the form and file it with the district board.

3. Do this within seven days after the mailing of notice to you of the decision of the district board in your case.

XIX.

HOW YOU WILL BE NOTIFIED THAT YOU HAVE BEEN SELECTED FOR MILITARY SERVICE

As soon as your case is finally disposed of, the adjutant general of your State will notify you by mail that you have been selected for military service.

Your local boards will post a list of all persons selected for military service in a place at the office of the local boards accessible to the public view. The local board will also give lists of persons selected for military service to the press with requests for publication.

XX.

NOTICE THAT YOU HAVE BEEN SELECTED FOR MILITARY SERVICE WILL NOT NECESSARILY ORDER YOU INTO SERVICE

The notice to report for military service will come when the government is ready to receive you.

SPECIAL REGISTRATION

A special registration will be held at the County Clerk's office on Saturday, July 21, for those who have become of age since the last election; those who have moved from one precinct to another or those who were ill at the last regular registration.

JAMES OWENS County Clerk.

EVERYTHING IN READINESS FOR CAMPMEETING

Mr. I. M. Lane, who has been at Ruggles Campgrounds since July Fourth, superintending the building of a new cottage and repairs on the grounds, writes that everything is now in splendid shape for the campmeeting. The hotel privilege has been let to Bobbitt, Yazell & Riggs, men who have had experience and will give good service. R. M. Harrison the Toledo merchant will conduct the confectionery. Foxworthy Bros. will have the stable privilege and will also have a place to park autos. These will be taken care for 15c week days and 25c Sundays. Every day brings new calls for cottages. Fortunately are those who secured cottages early. Everything points to a successful campmeeting.

At This Vacation Season

When so many people are going away from home, the matter of the safety of valuables is one of vital importance.

Neither your home nor your office is the proper place for a will, marriage certificates, deeds, mortgages, bonds, notes, stock certificates, life and fire insurance policies, jewelry, and many other essentially personal valuables. Put them into a safe deposit box in our new modern, fire and burglar proof vault.

The rental charges—less than one cent a day—for private boxes are reasonable, out of all proportion in fact, to the great amount of protection afforded and the peace of mind insured by the use of these facilities.
